Dear Readers,

It is with great pleasure that we introduce to you our upcoming journal, "Journal of Smart Accounting and Financial Technologies (JSAFT)". This journal is dedicated to exploring advancements in the field of Accounting and Finance and providing a platform for researchers and scholars to exchange ideas, fostering progress in the area of Accounting and Finance. On behalf of the editorial team, I extend our heartfelt gratitude and a warm welcome to the researchers, scholars, experts, and readers who support and follow our journal.

Purpose of the Journal:

The JSAFT aims to promote the development of the Accounting and Finance fields, enhance the research level of Accounting and Finance, and strengthen academic exchanges on an international scale. We are committed to building an open, inclusive, and innovative platform for researchers in the field of Accounting and Finance to present their findings, share experiences, and exchange ideas.

Content and Directions:

The JSAFT typical areas within scope include, but are not limited to:

- Smart accounting systems and digital transformation
- Artificial intelligence in accounting and finance
- Financial data analytics and business intelligence
- Blockchain applications in auditing and reporting
- FinTech innovations and digital financial services
- Automation in bookkeeping and financial processes
- Cybersecurity and data protection in financial systems
- Technology-driven financial forecasting and performance management
- Smart auditing tools and continuous auditing models
- Regulatory, ethical, and governance issues in financial technologies
- Financial Technology, Green Finance, Financial Sustainability, Financial Inclusion, Finance and Banking Science, Risk Management, and Compliance.

Academic Standards:

We uphold rigorous academic standards and peer review processes to ensure that each published article is of high quality and innovation. We encourage original research and welcome in-depth analysis and critical thinking on existing theories. At the JSAFT, we are committed to exploring these frontiers, encouraging multidisciplinary research, and providing a platform for thought leaders and practitioners to shape the fields of accounting and finance. The JSAFT welcomes active contributions from researchers and scholars. We invite submissions covering a wide range of topics in Accounting and Finance practice.
